### TALK ON WOMAN SUFFRAGE.

REV. ANNA SHAW HANDLES OFFEND-ING MAN WITHOUT GLOVES.

Her Discourse Based Upon the Interviews Which Recently Appeared in the "Journal" - She Is Both Humorore and sureacte.

Rev. Anna B. Shaw betured last night at the Auditorium on the audiest of woman suffrage. She was introduced by Rev. J. M. Cromer, pustor of the Pirst Lumberan church. The lecture cas delivered in a very humorous maniews with men published in the Sunay Journal not many weeks ago upon well taken argument by the men in all the interviews from them in

who would not let his congregation know what were his putties. Talking about man's sense of jurified In Massachnsetts a few years are a woman, who had been deserted by her fustants fell through a coal tray in the shlewalk and broke her log. She sued the city for damages, but it was found that according to law the wife's time and labor belonged to the husband. And, although she had four children to support, say had first be advertise for her worthless husband, who had found to be in Canada living with another woman. But he came home, such the city for the damage to his wires limb, secured \$2.560 damages and then went back to Canada to live with the woman not his wife, leaving the poor wife with her proken limb to care for the four children as

### "THE TRIUMPH OF LOVE

IS HAPPY, PRUPPPUL MARRIAGE. Every Man Who Would Enow the Grand Truths, the Plain Pacts, the New Discoveries of Medical Science as Applied to Married Life, Who Would Arone for Past Breurs and Avoid Future Pitfulls, should secure the Wonderful Little Book Called "Complete Manhood, and How to Attain It."

"Here at last in information from a bloc medical source that must work wonders will the generation of men. The back may describes a method by which to attain full their and manly nower. A method by which to end all unnature, drains on the system.

To cure nervousness, lack of self-control, de-To exchange a juded and worn nature for one of brightness, bushing and power. To ours forever effects of excesses, overwork, worry, &c.

Worry, &c.
To give full strength, development and too
to every portice and organ of the bely,
Ago no barrier Fahure imposible. Two Ago no harrier Failure impossible. Two thousand references.
The hook is purely medical and scientific, fiscless to curiodly school, invalidable to non only who need it.
A despairing man, who had applied to us, soon after wrote:
"Well, I tell you that first day is one I'll mive forget. I just labbled with my, I wanted to how every neity and my new self was born to stay. Why didn't you tell me when I first wrote that I would ned it the work.

way?"
And another thus:
"It you dumped a east load of gold at my feet it would not bring such gladines in a my feet it would not bring such gladines in a my like asy sour nechool has done."
Write to the FRIE MEDITAL COMPANY, hoffslo, N A mad sat for the little back called "COMPLITE MANHGOD" Refer to this paper, and the company promises to send the book. In realist energy, without any marks, and entirely free, until it is well introduced.

states, it is still the same as it was in Massachusetts a few years age, when it was discovered that a woman has not even the right to buried in her hus-band's burying ground, for a woman there has only a one-third interest in her husband's real estate during his
